

## Certificate in Foundation Studies (Level 3)

### Career pathway options for Semester 2, 2014

Unitec's Bridgepoint Foundation Education programmes are structured around career pathways. Different pathways are offered at each of our three campuses.

When you apply you'll be asked to indicate your preferred career pathway so we can offer you the relevant courses. If you haven't yet decided on your pathway, we strongly encourage you to speak to a Careers Advisor.

Pathway	Course 1	Course 2	Course 3	Course 4
General	Social Science 3	Understanding Maths A	Humanities 3	Academic & Career Development 3
Science	Social Science 3	Understanding Maths A	Biology	Academic & Career Development 3

### About the Certificate in Foundation Studies (Level 3)

The Certificate in Foundation Studies (Level 3) is normally completed in one semester (16 weeks) of full-time study. Full-time study means approximately 20 hours of lectures/tutorials at Unitec and 20 hours of self-directed learning. That's a total of 40 hours of study each week.

Lectures take place between 8.30am and 5pm Monday to Friday. You should attend all lectures to give yourself the best chance of success.

You'll be enrolled in four courses (15 credits each) and you need to successfully complete these to be eligible to graduate and receive the Certificate in Foundation Studies, Level 3.
