Abstract:

Newmarket Arts Trust was established by the Newmarket Business Association (NBA) and was tasked with promoting arts, especially public art in the Newmarket area – roughly the area within the boundary of the old Newmarket Borough Council and now the boundary of the NBA. I had been closely involved in establishing the NBA and ensuring that the Newmarket area had a special Mainstreet rate that was devolved by Auckland City Council (ACC) to the NBA. These special rates were essential in funding a regular and substantial part of the costs of future artworks.
