

Haynes Manuals AllAccess

The **Unitec Library** subscribes to Haynes Manuals AllAccess which you can use while studying here. Produced by Haynes Australia, this is a collection of manuals covering a range of makes and models, with content including color photos and wiring diagram, videos of DIY jobs, troubleshooting and servicing procedures, and more.

Access Haynes Manuals AllAccess

Unitec staff and students will be able to access the manuals directly from the Library website (from subject guide or Database A-Z). Access is available both on campus and off campus, using Unitec network login.

Insert your preferred car make and model, then click the Search button. All versions will appear and select the one you are looking for.

Useful tips:

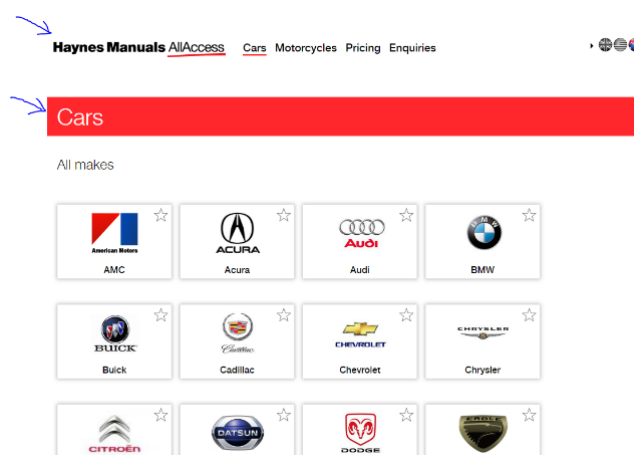

- You can click 'Cars' once you are in the manual to change and select a different makes and models. Or just click Haynes Manuals AllAccess to start a new search.
