About Pre-Existing Conditions

Pre-existing conditions are not automatically covered under your International Student policy. If you have any pre-existing conditions that you would like to seek cover for please call SCTI on 0800 784 691 (within New Zealand) or +64 9 979 6597 (outside New Zealand) within 31 days of purchasing your insurance to do a medical assessment, and SCTI will advise whether it can offer cover for your pre-existing condition(s).

Pre-existing condition(s) that you do not want to seek cover for, or do not tell SCTI about, will remain excluded under your policy.

What is a pre-existing condition?

For the purposes of the International Student policy, a 'pre-existing condition' is: in relation to each person named on your certificate of insurance, any medical or physical conditions (including congenital conditions, anomalies or defects but excluding congenital blindness and deafness), symptoms or circumstances which

you are aware of, or a reasonable person in your circumstances ought to have been aware of:

- for which advice, care, treatment, medication or medical attention has been sought, given, or recommended; or
- for which you are awaiting test results or further investigation, specialist treatment or specialist consultation; or
- which have been diagnosed as a medical condition, or indicative of a medical condition; or
- which are of such a nature to require, or which potentially may require medical attention; or
- which are of such a nature as would have caused a prudent, reasonable person to seek medical attention;

prior to your start date of insurance and regardless of whether or not a medical diagnosis has been made.
