The following regulations relate to a scholarship offered by Unitec*(Unitec). By applying for the scholarship, you agree to be bound by these regulations.

*Unitec is a business division of its parent entity, Te Pūkenga – New Zealand Institute of Skills and Technology (Te Pūkenga). Any references to Unitec refer to Te Pūkenga trading as Unitec, a business division of Te Pūkenga.

1. SCHOLARSHIP NAME: Kura Kaupapa and Rumaki Reo (“Scholarship”)

2. PURPOSE OF THE SCHOLARSHIP

2.1 The Unitec Kura Kaupapa and Rumaki Reo Scholarships were established in 2019 to support and engage Kura Kaupapa and Rumaki Reo graduates into tertiary studies at Unitec. The scholarship is designed to help cover education related costs and provide an opportunity to connect to various induction and mentoring opportunities, along with connecting recipients with Unitec’s Māori community.

2.2 Unitec recognises that financial support is an important consideration for ākongā considering study. The scholarship provides both financial support and mentoring opportunities in the first year of study.

3. SCHOLARSHIP FINANCIAL VALUE

3.1 The value of the scholarship is \$3,000.00 for a full year of full-time study; or pro-rata for one semester full-time programmes.

3.2 The scholarship is provided to ākongā to cover education related costs and is paid:

- in two equal payments of \$1,500.00 each semester; or
- where the programme of the ākongā is only one semester long by one payment of \$1,500.00.

3.3 A pro-rata value will also be considered for ākongā who need to study part-time because they are either disabled ākongā or have carers responsibilities as either sole parents or whanau/fanau members.

3.4 You may not defer or suspend the scholarship without the prior written permission of the awarding School or Director.

3.5 Once awarded for a particular programme and School, the Scholarship is not transferrable to another Unitec programme or School, or to any other business division of Te Pūkenga.
