Unitec Pacific Progression Scholarships - 2024

The following regulations relate to a scholarship offered by Te Pūkenga trading as Unitec (**Unitec**). By applying for the scholarship, you agree to be bound by these regulations.

1. SCHOLARSHIP NAME: Unitec Pacific Progression Scholarships (“**Scholarship**”)

2. PURPOSE OF THE SCHOLARSHIP

2.1 The purpose of the Scholarship is to encourage Pacific students who are completing or have already completed their programme at Unitec, to continue to a new, higher level programme of study.

2.2 Unitec recognises that financial support is an important consideration for our ākonga in managing their next steps. The scholarship provides both financial support and mentoring opportunities in the first year of the new programme of study.

2.3 Pacific ākonga who have done well in their studies and want to progress to a new programme, are encouraged to apply. The new programme must be at least one-semester long but will typically be two to three years long.

2.4 Scholarship recipients are expected to be involved and participate in the Unitec Pacific Community.

3. SCHOLARSHIP FINANCIAL VALUE

3.1 The value of the scholarship is \$2,000 for a full year of full-time study; or pro-rata for one semester full-time programmes.

3.2 The scholarship is provided to ākonga to cover education related costs and is paid:

- in two equal payments of \$1,000.00 each semester; or
- where the programme of the ākonga is only one semester long by one payment of \$1,000.00.

3.3 A pro-rata value will also be considered for ākonga who need to study part-time because they are either disabled ākonga or have carers responsibilities as either sole parents or whanau/fanau members.

3.4 Once awarded the scholarship may not be deferred or suspended without the prior written permission of the scholarships team.

3.5 Once awarded for a particular programme and School, the Scholarship is not transferrable to another Unitec programme or School, or to any other subsidiary or business division of Te Pūkenga.

4. DURATION

4.1 The scholarship is awarded for one year i.e., two semesters of consecutive study. Where an ākonga is awarded the scholarship for a programme that lasts for one semester, then the duration of the scholarship is one semester only.
