6. Aromatawai Mahinga Assessment Procedures	<p>6.1 Ākoranga Aromatawai Course Assessment Courses employ both formative and summative assessment activities. Formative assessments do not contribute to the final grade for a given course. All summative assessment elements are compulsory unless otherwise approved and noted in course information.</p> <p>Students must attempt all compulsory assessment activities in order to pass and receive credit for any course. Students who do not attempt a compulsory item of assessment may be awarded a ‘Did Not Complete’(DNC) for the whole course and may not earn any credits.</p> <p>6.2 Aromatawai I Roto I Te Reo Māori Assessment in Te Reo Māori All students have the right to submit any summative assessment task in Te reo Māori. The process for submission of summative assessment work in Te reo Māori is governed by each accredited organisation’s Te Reo Māori procedure and detailed in course material.</p> <p>6.3 Tāpaetanga Tōmuri Submission and late submission of work</p> <ol style="list-style-type: none"> The due dates for all summative assessment work will be notified at the commencement of each course. 6.4 Whakamātautau Anō | Resubmission or Reassessment

A student may apply to undertake a re-submission for a failed assessment within five calendar days of receiving their marked assessment, subject to the following:

- a. Students are entitled to one re-submission per course.
- b. All re-submissions will be carried out within a specified time period as agreed with the relevant Academic Authority.
- c. For all cases of re-submission, the original marked assessment will accompany re-submitted assessment. If re-submitted work is not accompanied by the original marked assessment, the re-submitted work will not be marked, and the original grade will stand.
- d. The maximum grade for any re-submission of an assessment is the lowest pass grade, i.e. C-.
- e. Assessments that are handed in late are not eligible for re-submission.

6.5 Āhuatanga Aromatawai Motuhake | Assessment Concession

Applications for AC are made by a student within 5 working days of the affected assessment event. Decisions to approve an AC and to apply any remedy are made according to Te Kawa Maiororo | Educational Regulatory Framework

Any programme-specific restrictions or limitations on assessment concessions are detailed in the programme regulations, programme handbook, and, where appropriate, in the relevant course outline.

If an ākonga fails to achieve at least 50 per cent of the credits that they are enrolled in in any 12-month period then the ākonga cannot automatically re-enrol in any further courses. The decision whether ākonga can re-enrol in further courses will be based on a ākonga likelihood of succeeding in further study and will be made by the delegated authority. When calculating the 12-month period, the accredited organisation reserves the right to include any relevant time spent by ākonga studying at another tertiary institution.
