Whakaurunga Takiwā | Enrolment periods

The normal enrolment period is two years and six months (part-time study).

TŪTUKITANGA WHAKAMIHI | CREDIT RECOGNITION

Whakawhiti Tūtukitanga | Cross Credit

- Credits will not be awarded for successful study that took place more than five years prior to the date of first enrolment in the programme.
- A student may be awarded credits or exemptions in recognition of successful equivalent study, at the same or a higher level in the context of another programme.

Aromatawai Tōmua | Assessment of Prior Learning (APL)

Assessment of Prior Learning is available for all courses in this programme. APL decisions will be made on a case-by-case basis under Unitec's *Assessment of Prior Learning Policy*.

Ngā whakawhitinga | Credit Transfer Arrangements

A student may be exempted in recognition of successful completion of the same course in a different programme.

Whakamātautau Taumata | Embedded Assessment (Unit) Standards

Associated assessment (unit) standards and the mapping of course assessment elements to those standards are listed in Schedule 1 below.

Embedded assessment standards are awarded following successful completion of the course to which they are associated as indicated in the mapping scheme in Schedule 1.

Waeture Aromatawai | Assessment Regulations

The due dates for all summative assessment work will be notified at the start of each course.

Paparahi Aromatawai | Assessment basis

Assessment in this programme is competency-based as detailed in Table 3 below. Students must achieve all of the outcomes in competency-based assessment in order to pass that course.

Ākoranga Taumata | Course grades

Course grades will be determined according to the following criteria.

Table 3: Competency based assessment system

Grade	Meaning	Result
P	Pass	Credits Earned
NC	Not Yet Competent	No Credits Earned

Paearu Taumata | Grade criteria

Students may also be awarded one of the following grades for a course as per the criteria described below.

Table 4: Grade criteria

Grade	Meaning	Criteria
CR	Credit Recognition	The student has applied for and been awarded a credit recognition from another qualification
DEF	Deferred	The student has approval to complete a course assessment beyond the schedule date. Unless an exception has been approved, any deferred grade remaining on a student's record beyond a duration equal to that of the original course will be changed to the grade to which the student would otherwise be entitled. No credits earned.
DNC	Did not Complete	A DNC grade is recorded if a student has either withdrawn after 75% of the scheduled course duration; or they have not attempted a compulsory item of assessment within a course. No credits earned.
W	Withdrawn	The student withdraws from a course after 10% of the scheduled course duration and up to, or at, the date at which 75% of the scheduled course has passed. No credits earned.

AROMATAWAI MAHINGA | ASSESSMENT PROCEDURES

Aromatawai I Roto I Te Reo | Assessment in Te Reo

All students have the right to submit any summative assessment task in te reo Māori. The process for submission of summative assessment work in te reo Māori is governed by Unitec's *Assessment in Te Reo Māori Policy*.

Tāpaetanga Tōmuri | Submission and late submission of work

Applications for extensions must be made under the *Special Assessment Circumstances Policy*.

No assignments will be accepted five (5) days (inclusive of weekends) after the due date. If the assessment is not compulsory, the student will receive a 'zero' grade for that assignment. If the assignment is compulsory, then the student will receive a DNC grade for the entire course.

Whakamātautau Anō | Re-submission or Re-assessment

A student may apply to undertake a re-submission/re-assessment for a failed assessment within five days of receiving their marked assessment.

- a) Students are entitled to a maximum of two resubmissions for each failed assessment event.
- b) All re-submissions/re-assessments will be carried out within a specified time period as agreed with the relevant academic authority.
- c) In all cases for resubmission, the original marked assignment will accompany re-submitted assignments. If resubmitted work is not accompanied by the original marked assignment, the re-submitted work will not be marked and the original grade will stand.
- d) The maximum grade for any re-submission/re-assessment of an assessment is the lowest pass grade.

Āhuatanga Aromatawai Motuhake | Special Assessment Circumstances

Any student whose performance in a summative assessment is affected by factors beyond their control may apply for Special Assessment Circumstances under the following conditions:

- a) The student was unable to complete the summative assessment item; or
- b) The students' ability to complete the summative assessment (preparation/performance) was impaired; or
- c) The student needs to request extra time to complete the summative assessment.

Akoranga Tuaruatanga | Repeating Courses

Students may enrol and repeat courses they have failed, up to two times.

Whakakorenga | Exclusions

Unless there are exceptional circumstances approved by the relevant Academic Authority, no student will be allowed to enrol in any course more than twice.

Any student who, over the period covered by the last four semesters of his or her studies at Unitec, (including, where relevant, study at other institutions) has not achieved a Pass grade in courses equivalent to at least 50 per cent of the credits in which he or she has been enrolled over that period, shall be excluded from the Programme and shall not be permitted to re-enrol in any programme without the prior permission of the relevant Academic Authority.

Examination Regulations

All internal examinations in this programme are governed by Unitec's *Examinations Regulations Policy*.

Tono Pira | Appeals

Students may appeal the decisions made under these regulations in accordance with the relevant section of the *Academic and Programme Management Policy*.

Āhuatanga Tauwhirowhiro Ritenga | Transitional Arrangements

Candidates currently enrolled in programmes leading to the replaced National or Unitec programmes who are unable to complete their programme by closure date of their programmes shall transfer their existing achievement to this or a replacing programme as appropriate.

Transitional arrangements into the programme will be on a case-by-case basis in accordance with the *Unitec Credit Recognition Policy*. No candidates will be disadvantaged by these transition arrangements.

WHAKARITENGA WHĀNUI | GENERAL PROVISIONS

Whakamāramatanga ā-kaupapa | Definition of Terms

In these regulations, unless the context otherwise requires, the following definitions shall apply:

- **‘Affected’** means influenced in some way. For time-constrained items such as tests, examinations, and presentations this may include the inability to attend any or all of the assessment events, or diminished performance. For other items it may be the inability to meet deadlines, or diminished performance within deadlines.
- **‘Factors beyond the control of the Student’** means any circumstance or situation the student could not have reasonably prevented, including, but not limited to, sickness or injury to the student, or bereavement.
- **‘Relevant Academic Authority’** refers to an individual, role-holder, or, in some cases, a committee, who has been delegated the authority to make a decision within a specific circumstance. A schedule of the various relevant academic authority delegations is maintained by the Ako Ahimura Learning & Teaching Committee responsible for the Programme.
- **‘Assessment Standards’** are quality-assured ‘unit’ and ‘achievement’ standards. Unit standards are developed by ITOs and by the NZQA. The Ministry of Education is the only developer of achievement standards, which are derived from the achievement objectives of the *New Zealand Curriculum* and *Te Marautanga o Aotearoa*. Collectively, the developers of assessment standards are known as standard-setting bodies (SSBs).
