About Pre-Existing Conditions

Pre-existing conditions are not automatically covered under your International Student policy. If you have any pre-existing conditions that you would like to seek cover for please call SCTI on 0800 784 691 (within New Zealand) or +64 9 979 6597 (outside New Zealand) within 31 days of purchasing your insurance to do a medical assessment, and SCTI will advise whether it can offer cover for your pre-existing condition(s).

Pre-existing condition(s) that you do not want to seek cover for, or do not tell SCTI about, will remain excluded under your policy.

What is a pre-existing condition?

For the purposes of the International Student policy, a 'pre-existing condition' is: in relation to each person named on your certificate of insurance, any illness, injury or health symptom which that person is aware of, or a reasonable person in that person's circumstances ought to have been aware of, which in the last 3 years prior to your start date of insurance, that person has sought, received, been recommended or is waiting for: advice from a health professional; tests, investigations or specialist consultations; care, treatment, or medical attention including surgery; or medication or a prescription for medication, whether or not a medical diagnosis has been made.

I have read and understood
