Unitec Te Pou Angitū Scholarships – 2025

The following regulations relate to a scholarship offered by Unitec*(Unitec). By applying for the scholarship, you agree to be bound by these regulations.

*Unitec is a business division of its parent entity, Te Pūkenga – New Zealand Institute of Skills and Technology (Te Pūkenga). Any references to Unitec refer to Te Pūkenga trading as Unitec, a business division of Te Pūkenga.

1. SCHOLARSHIP NAME: Te Pou Angitū (“Scholarship”)

2. PURPOSE OF THE SCHOLARSHIP

2.1 The purpose of this scholarship is to encourage Māori ākonga (students) studying at Unitec for the first time, to pursue their goals and study with Unitec.

2.2 Unitec recognises that financial support is an important consideration for ākonga considering study. The scholarship provides both financial support and mentoring opportunities in the first year of study.

2.3 Scholarship recipients are expected to be involved and participate in the Unitec Māori Community.

3. SCHOLARSHIP FINANCIAL VALUE

3.1 The value of the scholarship is \$2,000.00 for a full year of full-time study; or pro-rata for one semester full-time programmes.

3.2 The scholarship is provided to ākonga to cover education related costs and is paid:

- in two equal payments of \$1,000.00 each semester; or
- where the programme of the ākonga is only one semester long by one payment of \$1000.00.

3.3 A pro-rata value will also be considered for ākonga who need to study part-time because they are either disabled learners or have carers responsibilities as either sole parents or whanau/fanau members.

3.4 You may not defer or suspend the scholarship without the prior written permission of the awarding School or Director.

3.5 Once awarded for a particular programme and School, the Scholarship is not transferrable to another Unitec programme or School, or to any other subsidiary or business division of Te Pūkenga.

4. DURATION

4.1 The scholarship is awarded for one year i.e., two semesters of consecutive study. Where an ākonga is awarded the scholarship for a programme that lasts for one semester, then the duration of the scholarship is one semester only.

5. WHO’S ELIGIBLE

5.1 To apply, you must be:

6.2 As part of your application you will need to respond to the following statements and questions:

It would be great to see examples of how you have helped communities you belong to or identify with, such as your hāpori, marae, hapū, iwi, church, cultural or other community
- what will you be studying at Unitec in 2025 and what are your career aspirations after you complete your study?
- what motivates you to succeed in your studies?
- how will this scholarship help support you with your studies?
- In what ways do you think your study enables you to make a positive difference in society now (immediately) and in the future (long-term)?
- During the year we have Unitec events for ākonga. These include Māori and Pacific Orientations, Whānau/Fanau evenings, Te Wiki o te Reo & Pacific Island language weeks, events for Disabled and Neurodiverse ākonga, Ally Network and Under 25 ākonga. Please describe how you can contribute to events that connect to your identity.
