Please visit www.rlb.com for further information about Rider Levett Bucknall.

TITLE

The Scholarship shall be known as the Rider Levett Bucknall Professional Quantity Surveyor of the Year.

PURPOSE

The purpose of the Scholarship is to provide financial support and an opportunity for a **Bachelor of Construction with major in Construction Economics** student in his/her second or third year of study (or fourth year if studying part time) to gain part-time work experience and potential full-time experience during all non-term times. This may continue for future years of study and upon graduation Rider Levett Bucknall may also make an offer of fulltime employment. Future opportunities also exist in Tauranga, Hamilton and Queenstown.

TENURE AND VALUE

One payment of \$7,000 to be used to assist in paying the scholarship recipient's fees and study costs.

CONDITIONS OF THE SCHOLARSHIP

Scholarship recipients will receive an employment internship with Rider Levett Bucknall (located initially in Auckland). The Scholarship will be awarded on the condition that

applicants are committed to being available to work part-time during the year and for full time work during semester breaks in July as well as full time summer employment.

For Graduates of the Diploma or Degree course (completing in November 2024) seeking a full time Graduate QS role, this will be a salaried position and will be subject to a 4-month probationary period. For those Undergraduates entering the third (or fourth year) of the degree course in 2025, this will be a salaried position together with a \$7,000 contribution to 2025 course fees (2025 course fees to be paid at the successful completion of the probationary period). Time will be made available for block courses attendance and study during 2024 and 2025.

Any conditions of employment relating to this scholarship remain a contractual issue purely between Rider Levett Bucknall and the recipient (employee).

The recipient of the scholarship shall have the following added to their academic transcript “Recipient of the Rider Levett Bucknall 2024/2025 Scholarship”.

ELIGIBILITY

The recipient will be a New Zealand Citizen who is based on the Unitec institute of Technology Auckland Campus. He/she will be a second or third year (or fourth year if studying part time) Bachelor of Construction Quantity Surveying/Construction Economics student or second year Diploma in Quantity Surveying student.

SELECTION CRITERIA

The basis of selection will be for students with:

- Academic success as demonstrated in course results to date (**please provide copies with your application**)
- Leadership qualities and/or commitment to the community or sporting activities
- Openness and willingness to learn
- Ability to learn from their experiences
- A high level of determination
- A strong interest in estimating software and control management systems

SELECTION COMMITTEE

The Scholarship will be awarded by Rider Levett Bucknall upon the recommendation of the Construction Programme Committee who will identify a short list of eligible applicants. Upon

receipt of the short list, Rider Levett Bucknall will arrange and conduct an interview of the applicants to select a recipient.

RESPONSIBILITY FOR THE AWARD

Rider Levett Bucknall reserves the right to request part or all funding be repaid should the scholarship be terminated, the student withdraw, or if the recipient fails to meet their obligations in regard to any part-time work and summer vacation employment that has been offered.

Rider Levett Bucknall is not obligated to make an award in any year where there is no candidate of sufficient merit.
