

NZ Certificate in Study & Career Preparation (NZCSP)

Nau mai haere mai! Welcome to the **New Zealand Certificate in Study and Career Preparation (Level 4)**.

We look forward to seeing you at Orientation on **Monday, 22 July**. It starts at **9.45am** outside the Marae (entry 3) on the [Mt Albert campus](#). This replaces your timetabled class, Identity and Communication, that Monday morning.

New students

All new students to Bridgepoint should attend the Orientation day, whether or not your enrolment is completed. If you intend to enrol but haven't completed the Skills Review assessment, still come and we'll help book you into the next available Skills Review. If you have applied and wish to withdraw your application, you can do this online or email Charlotte Bocquet cbocquet@unitec.ac.nz to let her know.

Returning students

If you studied the Level 3, and are returning to study Level 4, you don't need to come until 12pm. You can join us for some lunch and attend your first class, Identity and Communication, in the afternoon. During this session you will meet your lecturers, and classmates, and get important information about your programme.

In addition, you are most welcome to attend the powhiri at 9.45am to welcome the new students. As a returning student, you now get to sit on the tangata whenua side with staff.
